### Battle at Hanse's Hostel

Kudos go out to the members of the Gauntlet for their part in the patrolling of Sanctus and the victory over TSE there. Many members commented at the impressive showing of all the light guilds for this action. They vow to be there when needed and are proud to serve the virtues. They will continue to be a deterring presence in the hostel should the dark forces show their expected disruption of peace and tranquility in the hostel and surrounding areas.

### Congratulations

Congratulations go out to two of our members and to Molly. Mister Artero and Misses Kathleen Kingston (Molly's sister) on the birth of their first child, Atheena Kingston. 'She is as pretty as a picture.' commented Molly, proud aunt, when interviewed yesterday after seeing her sister and the child. Should you see them around Sanctus give them your best wishes.

### H\*G to Sponsor Tournament

The Regency is putting on several tournaments in the realm at several

cities. The House of the Gauntlet has offered to sponsor the tournament for Luna along with their close friends and allies the Elves. There will be many exciting games and jousts will be held in the bag ball courts near town. More information will be forth coming as the time draws near. Please watch for further updates here and in the Regency News pages.

The Gauntlet Wants You!
